NATIONAL PHARMACOVIGILANCE WEEK -2023

Lecture was given by Dr Puja C Yavagal ,Professor,Department of Public Health Dentistry , focusing on creating awareness about National Pharmacovigilance Week celebration in India . Importance of the theme “Boosting public confidence in pharmacovigilance” was explained to participants. Awareness was created regarding vigilant monitoring of drug safety and mitigating risks linked with pharmaceutical use. Teaching Staff , Undergraduate and Post graduate dental students and Paradental Staff participated in the program.
